Sworn Statement of Truth

I am Daniel Valmont of

Valmont Firearms, Lodge Court, 5 Roberts Grove, Aston, Sheffield, South Yorkshire.

I give this statement of my own free will and accord, without reservation or equivocation. I have not received any payment or reward for this statement.

I run a business for firearms and air rifles that is highly regulated and closely monitored.

I sold some air rifles moderators to a man, who called himself Paul Gratton, in June 2015.

The air rifle moderators in question are not regulated under the Firearms Act of 1968.

I did not see Paul Gratton's identification as this was not required under English Law.

Since that time, no one from the American ATF or any US law enforcement officer has been in contact with me about Paul Gratton or these moderators in the picture.

Above is a true and accurate version of events which has been signed by myself.
